**Report of Principal and School Improvement Council**

Gold Hill Elementary School (GHES) is a K- 5 school serving about 930 students. Due to continued high enrollment, the school has an enrollment freeze for this school year. Two new elementary schools will be opening in August, 2014. With the change in School Attendance Lines, school enrollment will decrease and the enrollment freeze will not continue. Our mission states: Gold Hill Elementary School, in partnership with its students, parents, community, and the Fort Mill School District, will

Guide learning opportunities in a safe and nurturing environment;

Have high expectations to encourage one's personal best;

Engage students in progressive and challenging lessons;

Stay student focused by making all decisions based on "what is best for students".

Using the Fort Mill School District Strategic Plan and the GHES School Improvement Plan, our School Improvement Council, PTA, faculty, and staff worked together establishing goals for this year. Helping every student achieve the level of "Proficient" on our state's Palmetto Assessment of State Standards (PASS); enhancing school safety and security with the addition of new electronic entry doors and security cameras; receiving 250 new technology devices; providing Mini-Classroom Economy Training and integrating Financial Literacy and Junior Achievement Curriculum to help students be more successful in a global economy; continuing STEM initiatives with our engineering curriculum and LEGO Education Kits for Simple Machines and We Do Robotics; revising our English Language Arts and Math Standards Curriculum; utilizing data to make instructional decisions; and achieving Bronze Partner status with the Safe Routes to Schools Program were just a few of our goals for the year.

GHES is fully accredited by the Southern Association of Colleges and Schools (SACS) and maintains an "All Clear" status from the State Department of Education. Students demonstrated service learning through such projects as the Fort Mill Student Hunger Drive by collecting 1,522 pounds of food, raised money for the Heifer International Service Learning Project, collected tabs to make a donation to the Levine Children's Hospital, and created a Student Leadership Team. Special programs and initiatives such as the Health and Nutrition Club, Buzzy Beats, Hornets in Harmony, Accelerated Reader, Math Superstars, and the Academically Gifted Program gave students more opportunities in advancing their skills. The Measures of Academic Progress (MAP) testing program provided valuable information about the learning strengths and needs of our students. Compass Odyssey, a curriculum support and enrichment program which utilizes computers, helped to differentiate instruction and provide intervention, extension, and support for our students. Our PTA raised funds to buy seven computers to use with our LEGO We Do Robotics Program, additional elementary engineering curriculum, garden supplies, student agendas, as well as funding numerous teacher requests for supplies and materials.

The school will continue to set new goals for improved student performance and will continue to focus attention on student achievement, teacher quality, parent involvement, safety, technology advancements, health and wellness, and character education.

Terry Brewer, Principal; and Barbara Little, School Improvement Council Chairperson

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>96</b>
<b>Overall Grade Conversion</b>	<b>A</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Gold Hill Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
